

Ethan Hood

Boston, Massachusetts | 401-834-6425 | ethan.hood@vanderbilt.edu | [linkedin.com/in/ethanhood6](https://www.linkedin.com/in/ethanhood6)

EDUCATION

Vanderbilt University

Bachelor of Engineering in Mechanical Engineering Minor in Business

GPA: 3.94/4.0 | Dean's List

Nashville, TN

Expected May 2028

PROFESSIONAL EXPERIENCE

Cherrystone Angel Group

Investment Research Analyst

Providence, Rhode Island

February 2026 – Present

- Conducted DD reports on early-stage startups, evaluating competitive landscape, TAM, financials, and viability.
- Authored investment research memos synthesizing market research and deal analysis, delivering actionable insights.
- Attended pitch meetings with early-stage founders, assessing business model and growth potential across diverse sectors.

Dong Robotics Laboratory

Medical Robotics Researcher (URA)

Nashville, Tennessee

January 2026 – Present

- Designed 3+ integrated circuits for surgical robotics via optimized layouts in EasyEDA, cutting iteration time ~20%.
- Integrated 4+ advanced sensing systems into soft robotic platforms, enhancing diagnostic imaging resolution.
- Engineered wireless battery solutions enabling autonomous operation for soft robotic systems, extending runtime ~40%.

IQ3Connect

Extended Reality (XR) & UI Design Intern

Woburn, Massachusetts

August 2024 – August 2025

- Diagnosed and resolved 15+ UI defects in XR simulations, reducing load times ~25% and improving user retention.
- Spearheaded redesign of 5+ company web pages, boosting engagement 30% and strengthening brand positioning.
- Directed video production & implemented SEO frameworks to maximize engagement for XR software solutions.

Boston Ski and Tennis

Technical Sales Specialist

Newton, Massachusetts

June 2024 – August 2025

- Provided technical expertise in sales for high-performance athletic gear, increasing customer satisfaction.
- Performed precision technical services including custom ski boot fitting and racquet stringing to customer specifications.

Student Services (Landscaping)

Founder / Co-Owner

Needham, Massachusetts

April 2022 – August 2024

- Launched and scaled a landscaping business, generating \$20,000 in profit through high-quality service & marketing.
- Directed all P&L operations, budget allocations, and customer relationship management for a regional client base.

LEADERSHIP & EXTRACURRICULARS

American Society of Mechanical Engineers (ASME)

Communications & Outreach Chair

Nashville, Tennessee

January 2026 - Present

- Increased student engagement by ~30% through the launch of the 'Lab Spotlight' series.
- Curate a bi-weekly newsletter on industry trends to enhance technical literacy for 150+ ASME members.
- Build a networking platform to facilitate connections between students and industry leaders.

SEO Career

Edge Participant

New York, NY (Remote)

January 2026 – Present

- Prestigious professional development program with partnerships at top firms (Goldman Sachs, JPMC, Blackstone)
- Course with 50+ hours of rigorous technical training in financial modeling and corporate valuation.

Deloitte Undergraduate Case Competition

Team Lead (2nd Place Campus Winner)

Nashville, Tennessee

February 2026

- Led "Synergy Solvers" to a 2nd place finish by applying engineering logic to deconstruct and solve complex challenges.
- Architected 5+ operational flowcharts to show a value-driven narrative for a panel of Deloitte consulting executives.
- Directed project lifecycle, delegating specialized roles and managing rigorous timelines to ensure on-time delivery.

MEMBERSHIPS AND INTERESTS

Technical Skills: MATLAB, Solidworks, EasyEDA, Python, Java, Fusion 360, Soldering, Circuit Design, Excel.

Interests & Memberships: VandyCooks, Wilderness Skills, Alpine Skiing, Tennis, Pepper & Spice Gardening.
